Bushmead Primary School Newsletter

14th October 2022

Our Value for October is **Integrity**
Our well-being theme this half- term is **Connecting with Others**

Dear Parents and Carers,

Parent Teacher Consultations will take place on **Monday 17th and Wednesday 19th October**. Thank you for booking your appointments.

These meetings are for parents & teachers only. Please ensure that children are cared for separately. We have 10 minutes and it is important that teachers discuss how your child has settled into school and parent have the change to ask questions or raise concerns.

If you are new to School Cloud there is a parent video on how to set it up [here](#). If you have any issues please contact the school office.

Our **Miller Hub Library** is open after school on Tuesday and Wednesday. Parents can take their children after school, you can exchange books, do Accelerated Reader quizzes and laptops are available for Learning Logs, or you can simply read with your child.

Upcoming dates:

Please see our website [calendar](#)

- FOBS AGM ALL WELCOME! - 14.45 Thursday 20th October
- Parent Teacher Consultations - 17th & 19th October
- **Teacher Training Day (school closed to children) – Friday 21st October**
- Half Term 24th – 28th October
- Children return to school on Monday 31st October

Have a lovely weekend.

Bushmead Curriculum Framework

As a school we work hard to ensure that children have the best possible learning experience throughout the school. Our Curriculum Framework sets out the teaching from R – Yr 6. We map the learning across the year group (horizontally) and from year to year (vertically). We set out our intentions so there is progression in learning and we know what was previously taught and where the children are going.

Curriculum Intent Statement

At Bushmead Primary School the curriculum is designed to: recognise children's prior learning, provide first-hand learning experiences, to extend and enrich their knowledge, skills and understanding. This allows the children to develop interpersonal skills, independence, build resilience and become creative, critical thinkers. Every child is recognised as an individual learner. We celebrate and welcome differences and diversity within our school and the wider community.

The ability to learn is underpinned by the teaching of skills, knowledge, concepts and values. We provide enhancement opportunities to engage learning and believe that childhood should be a happy, investigative and enquiring time in our lives where there are no limits to curiosity and a thirst for new experiences and knowledge. We promote positive attitudes to learning which reflect the values and skills needed to promote responsibility for learning and future success.

We want Bushmead pupils to have the confidence and skills to make decisions, self-evaluate, make connections and have a passion for learning that will stay with them into adulthood.

Children leave our school with a sense of belonging to our community and the responsibility of being a global citizen.

FOBS Update A.G.M

Please come along to our FOBS AGM on Thursday 20th at 14.45! You will be finished in time for the end of school pick up. Many hands make light work so please do come along and see you can support our school events. THANK YOU.

FOBS, our PTA, do tremendous work. We all enjoy our community events and the children benefit from our fundraising. We have a brilliant core team but we need new volunteers and supporters. Please email fobs@bushmeadprimaryschool.co.uk if you can help in anyway – even if it is to volunteer for an hour at an event.

Information was sent via ParentMail or can be seen on the FOBS Facebook page.
<https://www.facebook.com/1FOBS> do befriend for details and links.

And, if you use **Amazon**, please select smile.amazon.co.uk and choose Friends of Bushmead School as your charity. This will automatically generate a donation at no cost to you. Thank you.
