

# Early Years Pupil Premium

## For three and four year olds

If your child is aged three or four, your childcare provider or school may be entitled to £300 additional funding to improve the education of your child.

For more information and to check if you are eligible contact:

- your nursery, pre-school, childminder or school
- Luton's Family Information Service

## What is Early Years Pupil Premium?

- It is extra funding from the Government to help your three or four year old child's early education.
- If you are eligible, the childcare provider or school that your child attends could claim up to **£300 extra a year** to help support and improve your child's individual learning.
- It can be claimed by Ofsted registered nurseries, pre-schools, childminders, or schools, that provide your child's funded 15 hours.

## How does it help my child?

### It could help your child to:

- enjoy a wider range of learning experiences
- benefit from extra resources and equipment suited to their needs
- be more prepared for starting school.

### Your childcare provider or school will work with you to consider:

- the learning and development needs of your child
- how to use the additional funding to support your child's learning
- how to support the personal, social, emotional development of your child.

Your childcare provider or school will need to demonstrate to Ofsted how the money has been used to improve your child's education, by helping them to learn, develop and get ready for school.

## Who is eligible?

You may apply for the Early Years Pupil Premium if:

- your child is already receiving free part-time early education hours and
- you are on certain benefits, allowances, or a low income or
- your child is or has been in care.

3

## How can I apply?

- Contact your childcare provider or school.
- Provide them with some additional information to check you are eligible.
- For further information and details, contact FIS or visit our website.

## For more information and to check if you are eligible contact:
